## Media & Communication - MINOR

The minor in Media & Communication offers students a robust set of courses designed to prepare them for tomorrow's ever-changing media work. Students receive a well-rounded survey of media theories by studying with program faculty. The minor provides an opportunity to develop a rich acquaintance with production tools and technologies as well as hone one's skills in writing, research and analysis. Topics reflect the historical and contemporary interests of the field across all major media, from photographs and motion pictures to music and news.
