

# Hospitality Management - A.S.

## Curriculum

The Hospitality Management associate degree program introduces students to the dynamic world of hospitality. Students learn about the various business segments within the hospitality industry, and they can use their major electives and free electives to further explore their area of interest. Students enrolled in this program can apply all credits toward the Bachelor of Science degree in Hospitality Management.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the hospitality industry in managing day-to-day hospitality operations.
- Apply the foundational skills and concepts necessary for career growth into a wide range of management positions.
- Utilize logic and critical thinking skills in a hospitality environment to create solutions for guests and other stakeholders.
