

Academic Calendars

The academic calendar lists start and end dates for classes, in addition to holidays and makeup class meeting dates (as applicable). The academic calendars can be found on the Academic Calendars webpage. These calendars are offered for planning purposes only and are subject to change.

For financial aid purposes, the definition of an academic year is a period in which a student completes two semesters (credit hours), which consists of 16 weeks for a total of 32 weeks. The academic calendar includes two semesters (fall and spring). Summer is optional for undergraduate programs but may be required for some graduate programs.

For the purposes of awarding Title IV financial aid, the payment period is the academic year.
