

Study Abroad

JWU Global — Study Abroad offers students of all majors the opportunity to earn JWU academic credit while taking classes and living internationally. Study Abroad promotes global citizenship and community engagement through international study in programs and countries that suit students' learning styles and professional goals. Study Abroad opportunities are available that allow students to delve into many different areas of interest all over the world (e.g., explore cuisine and culture of the Mediterranean in Greece; study in Germany through JWU Old World Wine Exploration or JWU Equine - Westphalian Riding School; explore sustainable tourism in Costa Rica; study fashion and design in Italy; discover volcanic island wines in the Azores; expand your worldview with JWU Following in the Footsteps of Leonardo da Vinci; study through our popular affiliates, API Abroad, CIS Abroad, CIEE, or Semester at Sea; consider enrolling at a direct enroll university like Florence University of the Arts or study at one of our exchange partner institution across the globe).

In collaboration with academic colleges across all JWU campuses, JWU Global Study Abroad programs offer a variety of international, domestic, and digital options for major, minor, free electives, experiential learning, and transferable courses. There are many affordable options for students during a semester, winter session, spring and/or summer breaks. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester or full year. Financial aid may be applied, and some partners offer external scholarships. Premiere programs do not qualify for JWU scholarships or grants; however federal aid is available. Visit the study abroad website for information, program descriptions and online applications. Where will you go? Wherever you decide, make the best of your educational journey!
