

3+2 B.S. Psychology/M.S. Counseling - Addiction or Clinical Mental Health

3+2 B.S. Psychology/ M.S. Addiction Counseling

The John Hazen White College of Arts & Sciences offers students an opportunity to earn both their undergraduate and graduate degrees through its 3+2 B.S. Psychology/M.S. Addiction Counseling program. This program enables qualified students to earn, in a continuous plan of study, both a B.S. in Psychology and an M.S. in Addiction Counseling in five years.

Qualified students are able to complete 10 Core Counseling graduate courses that will also count towards their undergraduate Psychology degree.

Program Requirements

Eligible students who would like to pursue a 3+2 B.S. Psychology/M.S. Addiction Counseling degree will need to apply directly to the undergraduate 3+2 program. Students must satisfy separate admission requirements for both undergraduate and graduate programs. Admission to the undergraduate program does not guarantee admission to the graduate program.

The M.S. degree in Addiction Counseling is delivered on a cohort model. Students who are accepted to the program will enter after their junior year.

Qualified students who have already been accepted to the 3+2 B.S. Psychology/M.S. Addiction Counseling program will also need to complete a formal application with Graduate Admissions **by no later than the start of their junior year**. When submitting the formal application to Graduate Admissions, the following must be submitted or completed:

1. A completed application for graduate admission, selecting the M.S. Addiction Counseling program under the Programs Selection section.
2. MS Counseling Statement of Purpose: an essay explaining your motivation, aptitude and goals related to counseling.
3. Three letters of recommendation. Recommendations should be from individuals qualified to attest to the applicant's potential for success at the graduate level of study. **Two of these letters must be from a JWU Psychology faculty member in the Social Sciences department.**
4. Current résumé or CV
5. Completion of these undergraduate courses with a grade of C or better: General Psychology, Abnormal Psychology, and Statistics or Research Methods (JWU courses: PSYC1001 Introductory Psychology , PSYC2002 Abnormal Psychology, and MATH2001 Statistics I or RSCH2050 Workshop in Acquiring Social Research Skills)
6. Cumulative grade point average of 3.0 or higher
7. Personal interview

This program is offered at the Providence Campus. For more information, contact the dean of the John Hazen White College of Arts & Sciences at the Providence Campus.
