

Tuition and Fees

The following tuition is effective for the 2019–20 academic year. Tuition is subject to change annually and is applicable to all students, including those in an approved off-campus program. For purposes of financial aid eligibility, full-time status is determined on a term basis. When repeating courses already attempted, students may be assessed a fee for those courses. Students are assessed tuition upon course registration each term. Summer is considered a separate term.
