

# Early Enrollment

Early Enrollment Program tuition is 50 percent of the 2024–25 tuition charge. Early Enrollment Program students are also subject to all other appropriate university fees (for example, full room, meals, new student fee, student health insurance, etc.). Early Enrollment Program students are not eligible for any federal financial aid or institutional need-based aid (i.e., institutional grants) while enrolled in the program. Early Enrollment Program students should contact Student Financial Services for information on alternative funding and to determine how eligible scholarships will be affected while in the Early Enrollment Program.
