

Diplomas

University diplomas display the student's legal name, graduation date and degree, along with the name and seal of the institution and the signatures of university officials. If the student has earned applicable honors, this accomplishment is indicated. The diploma shows the title of the degree the student has earned (e.g., Bachelor of Arts, Bachelor of Science, Master of Business Administration, etc.); it does not include the student's major(s). A student's major, minor, specialization and/or concentration will appear on the academic transcript.

Diplomas will be issued provided all financial obligations with the university have been met (e.g., unreturned library materials or replacement fees, athletic gear not returned). Students may review holds in jwuLink.

Generally, diplomas are issued six-to-eight weeks after degree completion. Only one diploma is issued per degree and will be mailed to the address the student indicates on the graduation application. Students will receive notification via email when their diploma has been shipped.

Students may check the status of their diploma order online. Students should log in using their last name and student ID.

Diploma sizes are as follows:

- Undergraduate diplomas are 8.5"x11".
- Graduate diplomas are 11"x14".
- Doctoral diplomas are 12"x15".
