Overflow

The university strongly advises all students to remember that parking permits are issued on a first-come, first-served basis. Once all available parking is occupied, there are additional parking structures in the area that can be used. These parking facilities are not operated by Johnson & Wales and parking agreements at their locations are solely between the operator and the vehicle owner. Johnson & Wales accepts no liability for use of these facilities.

For more information about parking, please call the Charlotte Campus Safety & Security or visit the Transportation webpage.
