

2025–26 Student Handbook

Providence Campus

The Student Handbook is your reference to the resources you need at Johnson & Wales University. It contains information on academics, advising, financial services, student activities and services, academic and university policies, and much more.

Program-specific handbooks also exist for students enrolled in the following programs: Dietetics and Applied Nutrition, Physician Assistant (PA) Studies, and Occupational Therapy Doctorate (OTD).

If you are a PA program student, contact the PA director (thomas.meehan@jwu.edu) for the PA handbook. If you are an OTD student, contact the OTD director (nancy.dooley@jwu.edu) for the OTD handbook.
