The Athletics department is committed to the overall development and well-being of our student-athletes. Through campus leadership initiatives, community outreach events and academic support sessions, the department encourages student-athletes to become leaders on campus and in the community, as well as avid students in the classroom.

As members of the United States Collegiate Athletic Association (USCAA). The Charlotte Campus offers 12 athletic teams: men's and women's basketball, soccer, cross country, tennis, golf, women's volleyball and women's track and field. We welcome student-athletes who desire to compete at the national level, who embrace a holistic approach to coaching and excel in the classroom.
