

The Bridge for Diversity, Equity & Social Justice

JWU's Bridge for Diversity, Equity & Social Justice advances a universitywide campus culture of inclusion, safety and discovery. The Bridge supports all members of the JWU community, with a focus on social identities that have been historically underrepresented in higher education.

As a hub for connection, resources, support services, programming and training, the Bridge actively

- Promotes policies and practices that address intersectionality of identities while advancing the JWU culture of inclusion and social justice.
- Offers content consultation, training and collaboration to students, student groups, JWU departments and community partners.
- Provides sexual assault and relationship violence prevention education.
- Offers one-on-one support to students navigating personal identity exploration; experiences of sexual assault, relationship violence or bias; or consultation on programmatic or academic projects.
- Supports and works with the academic colleges.
- Fosters a physical and digital space for learning and connection.

The Bridge is a resource for the JWU community across all campuses: Providence, Charlotte and the College of Professional Studies. For Bridge contact information, as well as location and hours, please consult the JWU Directory. Visit the Bridge webpage or email (bridge@jwu.edu) them for information and resources.
