

Student Employment

Human Resources provides a centralized location for students to learn about on-campus student employment programs in addition to processing the university's student payrolls.

The university provides on-campus student employment opportunities to eligible students through the following:

- Federal Work-Study Program (FWS)/Community Work-Study (CWS)
- Student Assistant Employment Program

These programs provide a variety of part-time employment opportunities throughout the university. FWS/CWS is part of a student's financial aid package and must be applied for by completing the Free Application for Federal Student Aid (FAFSA). Johnson & Wales University offers on-campus positions as well as off-campus community work-study service positions to enable eligible students to earn their FWS awards.
