

Combined Degrees: Psychology B.S./Addiction Counseling M.S.

Curriculum

The College of Arts & Sciences offers students an opportunity to earn both their undergraduate and graduate degrees through its Combined Degrees: Psychology B.S./Addiction Counseling M.S. program. This program enables qualified students to earn, in a continuous plan of study, both a B.S. in Psychology and an M.S. in Addiction Counseling degree in as little as five years.

Qualified students are able to complete four core Counseling graduate courses that will count towards their undergraduate Psychology degree. Visit the Psychology B.S. degree and Addiction Counseling M.S. degree program pages for program descriptions and outcomes.

Requirements

Eligible undergraduate students who would like to pursue the Combined Degrees: Psychology B.S./Addiction Counseling M.S. program should apply directly for the program by the end of their third year to take maximum advantage of this accelerated option. Qualified students who elect the Combined Degrees: Psychology B.S./Addiction Counseling M.S. program as an undergraduate student must fulfill all admissions requirements for entrance into the intended graduate program and complete a graduate program application. If admitted to the graduate program, students will begin graduate study in the summer after their senior year.

Psychology

A four-year program leading to the bachelor of science degree

Major Courses

| | | |
|-------------|--|---|
| PSYC1001 | Introductory Psychology | 3 |

† These graduate courses fulfill the bachelor of science requirements in the fourth year. Please note: The bachelor of science is not awarded until all graduate-level courses applying to the undergraduate degree have been successfully completed.

Note: Students must pass MATH0010 Pre-Algebra or have equivalent placement scores to enroll in required math courses.

Note: Students must pass ENG0001 Writing Workshop or have equivalent placement scores to enroll in ILS 2000-level courses.

In collaboration with academic colleges across all JWU campuses, JWU Global Study Abroad programs offer a variety of international, domestic, and digital options for major, minor, free electives, experiential learning, and transferable courses. There are many affordable options for students during a semester, winter session, spring and/or summer breaks. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester or full year. Financial aid may be applied, and some partners offer external scholarships. Premiere programs do not qualify for JWU scholarships or grants; however federal aid is available. Visit the study abroad website for information, program descriptions and online applications. Where will you go? Wherever you decide, make the best of your educational journey!

Admissions Requirements

Undergraduate

Johnson & Wales University holistically reviews all elements of a student's application to identify those students most likely to succeed at the university.

For students applying as a first-year student, a completed application and high school transcript(s) are required, except in circumstances where a student is homeschooled or where the traditional high school transcript is, for various reasons, not available. For students applying as a transfer student, a completed application, high school and/or college transcript(s) is required for admissions review.

Successful candidates for first year admission have taken a high school, college preparatory academic program including English, mathematics, science, social science and foreign language. Admissions decisions may also consider individual experiences and particular circumstances unique to each student. Other considerations are made based upon recommendations, writing ability and extracurricular activities.

Visiting campus, both in-person or virtually, and interacting with admissions staff are all valuable ways of assuring that JWU is the right university for you.
