

Business Administration - A.S.

Curriculum

The Business Administration associate degree program prepares students for a variety of business career options. It is an ideal program of study for those who plan to pursue a bachelor's degree but have not yet chosen a business career specialization. Students enrolled in this program can apply all credits toward any of the Bachelor of Science in Business Administration (B.S.B.A.) degrees.

The Business Administration associate degree program introduces students to the field of business. Students in this program begin to acquire the knowledge and skills they need to successfully lead and navigate organizations in today's evolving and demanding business environment.

Upon completion of the program, graduates are expected to:

- Apply introductory concepts of accounting, economics, management and marketing within business settings.
- Use decision-support tools to apply legal and ethical standards in business situations.
- Use communication methods effectively in the workplace.

Business Administration

A two-year program leading to an associate degree

In collaboration with academic colleges Study Abroad offer several options, direct enroll with international universities, domestic and digital options meet with a Study Abroad Advisor to learn more about how your major, minor, free electives, experiential learning and transferable courses would benefit by a Study Abroad program. There are many options for students during a semester, spring and/or summer breaks. Faculty-led, exchange, and direct-enroll programs range in duration from one week to a full semester or full year. Financial aid may be applied, and some partners offer external scholarships. Visit the study abroad website for information, program descriptions and online applications. Where will you go? Wherever you decide, make the best of your educational journey!

Admissions Requirements

Undergraduate

Johnson & Wales University holistically reviews all elements of a student's application to identify those students most likely to succeed at the university.

For first-year applicants, a completed application and high school transcript(s) are required. For transfer applicants, a completed application and high school and/or college transcript(s) are required. Completion of optional materials is encouraged.

Successful candidates for first year admission have taken a high school, college preparatory academic program including English, mathematics, science, social science and foreign language. Admissions decisions may also consider individual experiences and particular circumstances unique to each student. Other considerations are made based upon recommendations, writing ability and extracurricular activities.

Visiting campus, both in-person or virtually, and interacting with admissions staff are all valuable ways of assuring that JWU is the right university for you.
