

MBA - Sport Leadership Concentration

The Master of Business Administration degree program with a concentration in Sport Leadership provides the graduate student the opportunity to hone leadership skills necessary for success in today's complex and ever-changing global business environment. Core courses reinforce the ability to critically analyze and assess organizational challenges, while concentration courses advance the student's level of professional competency and expertise demanded of today's sports executives. This program can add practical value to students' professional growth as they consider career opportunities in the areas of data and analytics, sales and sponsorship, marketing, new business development, and emerging fields such as esports and digital sports streaming.

Upon completion of the program, graduates are expected to:

- Gather, interpret and analyze research to inform decision-making at operational and strategic levels of an organization.
- Use advanced communication skills and awareness of cultural differences in global and domestic business interactions.
- Analyze problems from a diverse perspective, propose effective solutions and evaluate the impact of executive decisions.
- Assess and evaluate business entities taking into account cross-functional environments as they affect ethical decision-making in domestic and global organizations.
- Connect leadership principles and knowledge of the sport industry operations to advance organizational objectives and support strategic initiatives.
