

# Pre-Master's Program - For Business Degree Holders

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020-21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Pre-Master's program at Johnson & Wales University is designed for outstanding international students who have completed a three-year bachelor's degree in countries where the three-year bachelor's degree is considered the dominant degree in specific areas of study. The program provides qualified three-year degree holders the opportunity, through a Pre-Master's schedule of undergraduate courses, to equate their education to a four-year U.S. bachelor's degree while fulfilling Pre-Master's program prerequisites. Students successfully completing the Pre-Master's program with a grade point average (GPA) of 3.0 on a scale of 4.0 will enroll directly into their selected graduate business program.
