

Career-Focused Bachelor of Science in Hospitality Management - C.F.B.S.

Curriculum

The Career-Focused Bachelor of Science degree program in Hospitality Management prepares students for rewarding careers in the exciting world of hospitality. The streamlined design of the program allows students to earn a complete, comprehensive degree in a shorter period than a traditional bachelor's degree program requires.

Students learn to lead teams in creating unique experiences and memorable moments for people, while contributing to the positive effect of hospitality and tourism on communities and our world. The program includes a strong foundation in business and features courses in hotels and resorts, food and beverage, and sustainable tourism. The program's major electives allow students the flexibility to customize their degree, by exploring a variety of industries within hospitality.

The Work Integrated Learning requirement ensures that students graduate with essential skills and confidence that prepare them for leadership roles in the workforce.

Upon completion of the program, graduates are expected to:

- Use the major concepts, skills and values of the hospitality industry to address industry problems within diverse hospitality operations.
- Communicate effectively to diverse stakeholders in the hospitality industry.
- Use decision support tools to resolve guest service issues and facilitate organizational process changes.
- Apply financial reasoning and performance analysis to optimize performance within hospitality operations.

Admissions Requirements

Undergraduate

Johnson & Wales University holistically reviews all elements of a student's application to identify those students most likely to succeed at the university.

For first-year applicants, a completed application and high school transcript(s) are required. For transfer applicants, a completed application and high school and/or college transcript(s) are required. Completion of optional materials is encouraged.

Successful candidates for first year admission have taken a high school, college preparatory academic program including English, mathematics, science, social science and foreign language. Admissions decisions may also consider individual experiences and particular circumstances unique to each student. Other considerations are made based upon recommendations, writing ability and extracurricular activities.

Visiting campus, both in-person or virtually, and interacting with admissions staff are all valuable ways of assuring that JWU is the right university for you.
