

# Food Industry Compliance Management - B.S.

**Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.**

The Food Industry Compliance Management bachelor's degree program provides a unique combination of food service, scientific, operational and management skills. The focus is on current commercial and noncommercial food safety and quality assurance compliance issues and solutions. The program also develops proficiency in developing HACCP systems and allergen awareness programs to ensure operational standards in compliance with local, state and federal codes and statutes. Other areas of study include public health, food sustainability, purchasing strategies and logistics, organizational behavior, business management, critical thinking, and leadership to prepare students for a career in food safety compliance and quality assurance management. The food and beverage industry is the largest US employer besides the government. Admission to the program requires passing a national food safety manager exam that is recognized by the Conference for Food Protection.

Upon completion of the program, graduates are expected to:

- Demonstrate a commitment to remaining current in the profession by obtaining and maintaining industry recognized certifications.
- Effectively communicate food compliance standard practices to diverse audiences.
- Create operational policies and procedures that will advance a food safety compliance culture.
- Apply the major concepts and compliance practices to a variety of food production operations.
- Analyze and interpret insights gained from decision - support tools and relevant sources to solve problems and improve organizational performance within the food service industry.

## Food Industry Compliance Management

A four-year program leading to the bachelor of science degree

### Business Foundations

ACCT1210	Financial Accounting	4.5
FISV2000	Finance	4.5

Social Sciences		9
ECON1001	Macroeconomics	
or ECON1002	Microeconomics	
One course from ANTH°, LEAD, PSCL, PSYC or SOC		
A&S Electives		9
Two courses with an EASC attribute, at least one at 3000 level or higher		
<b>Free Electives</b> #		
22.5 credits selected from 1000-4999 numbered offerings within the university		22.5
Total Credits		180.0

\* Internships will be available for the Food Industry Compliance Management program, but they will not be required. For online students who do not wish to register for an internship, three 3000+ Hospitality discipline-specific courses can be taken in place of the internship. This can include Directed Experiential Education (DEE) Courses.

Visit Courses by Subject Code for a listing of all campus courses.

±HUM courses are not offered in North Miami or Online.

^BIO courses are not offered in North Miami, Charlotte or Online.

¶CAD courses are only offered in Providence.

±CHM courses are not offered in North Miami or Online.

°PHY courses are not offered in Charlotte.

°°ANTH courses are not offered in North Miami or Charlotte.

# In addition to classes, free elective credit can be applied to a number of options such as Directed Experiential Education (DEE), Internship, Minor or Study Abroad. For Accelerated Master's program students, up to three graduate-level courses may apply. Students are strongly encouraged to contact an adviser before scheduling free elective credits.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor's degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
