

# Hospitality Management - A.S.

## Curriculum

The Hospitality Management associate degree program introduces students to the dynamic world of hospitality. Students learn about the various business segments within the hospitality industry, and they can use their major electives and free electives to further explore their area of interest. Students enrolled in this program can apply all credits toward the Bachelor of Science degree in Hospitality Management.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the hospitality industry in managing day-to-day hospitality operations.
- Apply the foundational skills and concepts necessary for career growth into a wide range of management positions.
- Utilize logic and critical thinking skills in a hospitality environment to create solutions for guests and other stakeholders.

## Admissions Requirements

### Undergraduate

Johnson & Wales University holistically reviews all elements of a student's application to identify those students most likely to succeed at the university.

For first-year applicants, a completed application and high school transcript(s) are required. For transfer applicants, a completed application and high school and/or college transcript(s) are required. Completion of optional materials is encouraged.

Successful candidates for first year admission have taken a high school, college preparatory academic program including English, mathematics, science, social science and foreign language. Admissions decisions may also consider individual experiences and particular circumstances unique to each student. Other considerations are made based upon recommendations, writing ability and extracurricular activities.

Visiting campus, both in-person or virtually, and interacting with admissions staff are all valuable ways of assuring that JWU is the right university for you.
