

Career-Focused Bachelor of Science in Hospitality Management - CFBS

Curriculum

The Career-Focused Bachelor of Science degree program in Hospitality Management prepares students for rewarding careers in the exciting world of hospitality. The streamlined design of the program allows students to earn a complete, comprehensive degree in a shorter period than a traditional bachelor's degree program requires.

Students learn to lead teams in creating unique experiences and memorable moments for people, while contributing to the positive effect of hospitality and tourism on communities and our world. The program includes a strong foundation in business and features courses in hotels and resorts, food and beverage, and sustainable tourism. The program's major electives allow students the flexibility to customize their degree, by exploring a variety of industries within hospitality.

The Work Integrated Learning requirement ensures that students graduate with essential skills and confidence that prepare them for leadership roles in the workforce.

Upon completion of the program, graduates are expected to:

- Use the major concepts, skills and values of the hospitality industry to address industry problems within diverse hospitality operations.
- Communicate effectively to diverse stakeholders in the hospitality industry.
- Use decision support tools to resolve guest service issues and facilitate organizational process changes.
- Apply financial reasoning and performance analysis to optimize performance within hospitality operations.
