

Services

The Academic Success Center offers a variety of services that can be accessed on both the Harborside and Downcity campuses. Below is a description of our services.

Tutoring Services

One-on-one tutoring is offered for many core curriculum courses. From accounting to writing assistance, students can select to meet with a professional or peer tutor to bolster their academic success. Tutoring services are also available online via Smarthinking.

Workshops

Workshops covering time management, study strategies, writing research papers and more are offered to support students throughout the year. A list of workshops can be found on the Academic Success Center workshop website.

Writing Lab

Students can work with peer or professional writing coach at any stage of their writing process. Students are invited to work with the writing lab early in their process and work with a coach at each phase of their writing assignment. Visit the Writing Lab website for more details.
