

International Student Services Office

The International Student Services Office (ISSO) is part of JWU Global, which also includes the English Language & Culture Academy (English as a Second Language, only taught at the Providence Campus) and Study Abroad. There are ISSO staff members on each of the two campuses. The main focus of ISSO is to help international students adhere to Department of Homeland Security regulations, maintain their student status, and access all the benefits permitted by their student visa status. A variety of other programs and services have been created to assist students from the moment they enroll in the university until the day they graduate and beyond. Orientation, information sessions on employment, and other cultural adjustment workshops are conducted every year.
