

Course Cancellation Policy

The university reserves the right to cancel any course or section in which the number of students enrolled is deemed insufficient or for which an instructor cannot be secured. Students affected by course cancellations are notified via their JWU email account.

After the course cancellation deadline (as posted in jwuLink under course registration dates) it is the students' responsibility to monitor their JWU email for course cancellation information, as well as review and manage their course schedule. Students affected by course cancellations may adjust their course registration in jwuLink as long as there are no holds preventing registration on their account.
