

# Honor Code

As honor is the foundation of the pursuit of knowledge, a Johnson & Wales student will commit to acting with honor in all aspects of campus life.

This commitment to honor is demonstrated through intellectual curiosity, community awareness and strong citizenship, and leads to excellence.

This promise includes acting with integrity with original academic work; fostering an environment rich with civil debate and discourse; celebrating the rich, diverse student body; upholding ethical and professional standards; engaging in all aspects of the university community; and behaving in a responsible and respectful manner in and out of the classroom. A Johnson & Wales student recognizes that they are bound to this community and promises to assist others in upholding these same high standards. It is with pride that a student commits to this code.
