

Study Abroad

JWU Global Study Abroad works with all academic colleges on all campuses to offer a rich and varied portfolio of Study Abroad programs during the fall and spring semesters and winter, spring, and summer breaks for JWU students. Students are encouraged to visit the Study Abroad website for program information, online applications and to set up an appointment for Study Abroad advising. Students must meet all eligibility requirements to participate in Study Abroad, including good conduct standing. JWU financial aid and scholarships can be applied for most programs, however, Premiere Programs do not qualify for JWU scholarships or grants. Opportunities exist for all majors, so adding an international experience can distinguish you from other graduates. JWU Study Abroad offers a broad range of affordable programs with the opportunity for additional external scholarships for some partners to support funding for international experiences.

For more information, in addition to visiting the website, students should contact the appropriate Study Abroad campus resource.
